Gary H. Dietrich

Gary H. Dietrich passed away March 1, 2006 after a courageous battle against lymphoma.

His love for horses started as a child with his horse "Lucky". Later in life Gary purchased his first American Paint Horse at a local sale. That purchase grew into a ranch in Bismarck named the Flying D Arena.

Gary enjoyed the thrill of cutting horses and competed for several years across a five state region.

After retiring from the cutting arena, he began traveling to proudly watch his daughter show competitively throughout the national Paint Horse circuit.

His life will be celebrated and remembered forever.

As an active and generous member of the NDPHC, the annual September show will be presented as a memorial to our friend and horse enthusiast.
